Sub: Vijayasree Voora is mentally severely ill, highly violent, homicidal and suicidal.  
Ref: Madras High Court order No. CRL.OP.No. 37033/07 dated Dec 24, 2007

Dear Sir:

You are aware of the above mentioned Madras High Court order directing the Chennai police to locate an individual by the name of Vijayasree Voora, aka, Artha Chandran.

Vijayasree Voora has been declared by the court appointed psychologist as mentally severely ill. At numerous occasions she had threatened her relatives and friends that she will commit suicide, for no apparent reason. She had also informed reliable sources that she will end life of my son Aditya Chandran before committing suicide.

If you apprehend Vijayasree Voora, please put her suicide watch immediately, and please make sure any attempt to apprehend her is done delicately so as not to traumatize the little boy, Aditya Chandran. I plead that you take good care of Aditya during your encounters with Vijayasree, which is highly likely to be violent, histrionic and potentially homicidal or suicidal.

Please contact me at 97043 62000 to discuss any statements made in this letter. Please refer to the website, [www.pscindia.org](http://www.pscindia.org), where all details of court orders, psychologist report and newspaper advertisements are duly recorded.

Thank you for your efforts, and God Bless Aditya.

Sincerely,

~~Dr. V. Ravi Chandran~~
